**Standard/
Practice**

- 4**
- 4.1** Nothing in this document affects the right of Practice Partners to refuse placement of a Student in the Practice Setting.
 - 4.2** Instructors supervise Students to ensure appropriate client care, and effective learning.
 - 4.3** Subject to section 4.4, Concerns related to professional conduct in the Practice Setting should be addressed during regular assessment of Student learner outcomes using midterm and final evaluations, and learning plans.
 - 4.4** Any Instructor who determines that a Student is not meeting the clinical practicum expectations of the Faculty of Nursing or otherwise poses a risk to Client health & safety; or public health more general, will initiate a Practicum intervention. The clinical practicum expectations are based on the CRNA and CNA nursing standards. The Instructor will:
 - (i) Require the Student to leave the Practice Setting pending a decision from the Program Supervisor;
 - (ii) Inform the Student of the reasons for the Practicum Intervention;
 - (iii) Prepare a detailed record of the circumstances giving rise to the Practicum Intervention;
 - (iv) Request any relevant additional documentation from the appropriate individual(s) at the Practice Setting; and

- (v) Contact the Program Supervisor as soon as possible to ensure a timely response that balances the need to protect the public with the Student's right to a fair and timely resolution of any appeal.

4.5 The Program Supervisor will review information received from the Instructor and meet with the Student as soon as possible. During the meeting the Program Supervisor will:

- (i) Review the grounds for the Practicum Intervention with the Student and discuss any conditions that could be imposed for the Student to return to the Practice Setting;
- (ii) Give the Student an opportunity to explain;
- (iii) Review relevant CRNA and CNA documents with the Student; and
- (iv) Review relevant Faculty regulations and course requirements;

4.6 After meeting with the Student, the Program Supervisor will decide whether the Student can attend in the Practice Setting. The Program Supervisor will advise the Student of his or her decision, and the reasons for that decision, in writing, within 3 days of meeting with the Student.

4.7 Students subject to a Practicum Intervention will only have the right to attend in the Practice Setting if the Program Supervisor is satisfied that appropriate measures can be taken to protect Clients and meet all CRNA and CNACAN standards.

4.8 The Program Supervisor may submit a Complaint in accordance with the Student Non-Academic Misconduct Policy, or refer concerns of academic misconduct relating to the Practicum Intervention to the Dean.

Appeals

4.9 Students may appeal a Practicum Intervention to the Faculty of Nursing Appeals Committee in accordance with the terms of reference for academic appeals in the Faculty.

Students can only appeal a Practicum Intervention when the outcome of the Practicum Intervention is a requirement to withdraw from the Faculty of Nursing. The Practicum Intervention can be appealed to the Faculty of Nursing's Faculty Appeals Committee in accordance with the *Faculty of Nursing: Academic Assessment and Graded Term Work Appeal Procedure*. The requirement to withdraw is filed as a separate Academic Progression appeal to the University Appeals Committee in accordance with the *Student Misconduct and Academic Appeals Policy*.

Otherwise, a Practicum Intervention and the results of a Practicum Intervention cannot be appealed.
